ESPOL, A MULTILINGUAL AND MULTICULTURAL SCHOOL

Political Science is a discipline driven by excellence that offers attractive career prospects with a strong international outlook. Living up to this ambition, ESPOL, the European School of Political and Social Sciences, offers an interdisciplinary curriculum focused on political careers and Europe.

As successor to the School of Social and Political Sciences created within the Catholic University of Lille in 1894, ESPOL emphasises human values and an ethic of responsibility as indispensable qualities for making one's way in today's world.

Its bilingual French-English courses provide an original and innovative platform for the teaching of political science.

The Bachelor's and Master's curricula give ESPOL graduates the keys to succeed in an increasingly competitive job market: theoretical knowledge and creativity, professionalism and intellectual curiosity, skills and a sense of initiative.

ESPOL IS FOUNDED ON THREE CORE PRINCIPLES:

- TEACHING
- RESEARCH
- SERVICE TO SOCIETY

EUROPEAN,
MULTILINGUAL, IN
STEP WITH ITS TIME,
ESPOL PROVIDES YOU
WITH THE REQUISITE
SKILL SET TO
SUCCESSFULLY ENTER
THE JOB MARKET IN
EUROPE AND BEYOND!
